MR. O. G. PRICHARD

MR. D. Q. WILLIAMS

MISS AGNES HELMREICH  
Girls' Advisor

The students of East High look with respect to our principal, O. G. Prichard. Through Mr. Prichard's efforts our school is active and progressive in all things.

Mr. D. Q. Williams, our boys' advisor, is a very busy man who schedules sports events, counsels the boys, and gives ready advice to everyone.

The busiest woman in East High is Miss Agnes Helmreich. Besides sponsoring several clubs and advising the student council, Miss Helmreich counsels the girls of East High.

The office is capably run by Mrs. Dorothy Crauthamel, the office secretary, and Miss Deloit Ramig, the registrar. With their student assistants they keep the office and school running very smoothly.

Keeping a close tab on all our students who are ill, Mrs. Alice Clark, the nurse, records the health records and habits of all our students.

# Teachers, Counsellors . . .

As we have said before, our teachers are a splendidly educated group of people. Besides their special preparation for teaching, many of them have acquired the extra hours of university credits necessary to earn a Master's degree. Many teachers spend their summers in school acquiring more knowledge so that they will be able to teach us all the better. A number of our teachers spend their summers traveling abroad or in this country, gaining practical knowledge so that they may have a wider range of experience. Through

them we learn the many interesting details that are never put in the books.

We appreciate the help the teachers give us in all our work and play at school. They spend many, many hours working out our programs of study, directing our thinking, arousing our interest, keeping records of our work, and guiding us toward a better life.

Here at school we have quite a few extracurricular activities that require sponsors.

Some of the teochers act os sponsors for clubs thot meet ofter school hours. Others spend mony hours plonning the splendid ossembly progrroms that East is noted for. At all oth-  
 etic contests, the men moy be found selling tickets, checking at the gate, keeping score, and ottending to countless other detoils con-  
 nected with sports.

Student council activities ore directed by teochers who advise the vorious committees in charge of bundle drives, Red Cross compoigns, and other such activities.

Whenever there is a school party a number of teochers serve os choperones and take an active part in the festivities. They ore very unselfish with the time they spend helping to plon meetings and to keep records strigkeit, and helping plon activities and porties.

Even though the teochers spend such a great amount of time working with us, they still find time to ploy themselves. This year our faculty bowling team won the city chompsionship.

## QUILL STAFF

The most highly suspected persons on our list are the members of the Quill Staff. During this semester these boys and girls have worked hard through the fourth period getting a lot of the work done on June's issue of the Quill.

Students from the 11A and 12B classes are eligible to try out for the Quill Staff. They are recommended by their English teachers and must write an essay within a given time. Miss McBride and Mr. Strotton choose the winners.

## SCROLL

This semester the Scroll staff put out many fine issues of our bi-weekly school paper. The staff is chosen by Mr. Stratton from his journalism classes for the quality of their work. Each member has a chance to write for every page, one at a time. The only pages that have permanent editors are the editorial and the sports.

The student body wants to thank especially the editor of the Scroll, Helen Johnson, and the co-editors, Jeneane Cain and Joan Templeton, who all did such a fine job.

#### JUNIOR ZETA

All 10B, 10A, and 11B girls are eligible to join Junior Zeta. It gives members a chance to become acquainted with girls other than those in their classes.

This semester they joined with Senior Zeta for the girls' banquet. Bor-boro Turner is president; Miss Jessie Fickel is faculty advisor.

#### SENIOR ZETA

Initiation, a trip to the art center, a breakfast, a picnic, and a banquet furnished the activity for Senior Zeta this semester. With Miss Snyder as faculty advisor, Jonice Nordaker heads the club as president. Since the club was divided in 1947, only 11A, 12B, and 12A girls are eligible to become members.

## DRAKE CADET TEACHERS

Obtaining experience while on the job is one of the chief objectives of our cadet teachers. Their duties are similar to those of teachers.

Besides their practice teaching, the cadet teachers attend classes one-half of the day at Drake and attend two seminar meetings every two weeks in

the evening. Many of these Drake students expect to graduate this spring and go on to their teaching careers which will take them to a number of towns, cities, and states.

This semester we are fortunate in having twenty-five cadets from Drake and one from Iowa State College with us.

**Morning Drake Cadet Teachers**

While speeding down East High's busy "highways", how often have you been stopped by a very business-like "traffic cop" and asked if you have a "license"? Our monitors, who are appointed by different teachers, help keep

our halls quiet and clear of traffic during class time. The good job these students are doing is not only helpful to the teachers but is certainly appreciated by us too.

### ORCHESTRA AND BAND

These are two of East High's largest musically inclined "Bureous" under the capable direction of Mr. Jock Borg, once a member of the band himself here at East. These two groups gradually have grown larger and have improved their musical abilities to such an extent that now we have a Band and Orchestra

of which every East High student is mighty proud.

We also appreciate the good music these groups furnish for us at various activities, in and outside school hours. Their busy schedule not only includes assemblies and basketball games, but also outside activities such as the spring festival, school plays, parades, school programs and senior week activities.

## A CAPPELLA CHOIR AND GIRLS' SEXTET

There is nothing very mysterious about these two very busy musical groups. We all know how talented they are since we enjoy hearing them many times a year. The choir is composed of advanced music classes and is under the direction of Miss Sigrid Greenhill. Two programs given by the choir that we most enjoy are the annual Thanksgiving and Nativity programs. The members of the Girls' Sextet who have outstanding voices that blend together in splendid harmony were selected by tryouts given at the first of the year. They have sung in many programs both in and outside school.

## BOYS' AND GIRLS' GLEE CLUBS

Among East High's many Crime Prevention Bureaus are these two clubs, the members of which are very interested in advancing themselves in the field of music and also in gaining an opportunity to sing in public. They meet every other day under the excellent direction of their instructor, Miss Sigrid Greenhill, and work together to improve their vocal abilities.

Some of the many worthwhile things taught are practicing harmonic singing, improving tone qualities, learning how to breathe correctly, and reading and understanding music. These groups not only enjoy practicing together, but also enjoy showing the good results of long hard practice before many people around the city and in East High.

#### CLERICAL STAFF

The clerical staff is a very efficient group of girls and one boy. They do the little jobs in the offices that are so important to a smoothly running school. The girls in Miss Helmreich's office run errands, answer the telephone, and do various small tasks that help her immensely. The girls in Mr. Williams' office take dictation, type letters, and help keep the records straight.

One of the most important jobs in all the offices is at the main desk. These people do part of the daily job of helping to run the school.

#### DANCE BAND

The Dance Band consists of eleven members. There are three saxophones, three cagnets, two trambanes, a bass, drum, and piano. The band, which rehearses every Thursday night for about an hour, was organized last semester by its director, Mr. Jack Borg.

The band begins and ends all dances with their theme song, "Stella by Starlight", which was arranged by Harald Strasburg. The band plays for many of the all-school parties and other school functions. The school furnishes the music for the band. Everyone who has heard the band has enjoyed it.

### STUDENT TEACHERS

The student teachers, all seniars, are selected to handle a class when it is necessary for a teacher to be absent or when a supply teacher is not available. The necessary qualities are good personality, character, and schlastic records.

Thaugh they seldom teach a class, they are always ready.

#### SPANISH AND LATIN CLUBS

"Sodolitas Romono", better known as Latin Club, is directed by Miss Winifred Cummings and is made up of Latin students. The highlight of the semester was the Roman banquet. It was preceded by a mock wedding, after which the togo-clad guests went to the cafeteria, where they ate Roman food in Caesar's own way, with their fingers.

The active meetings and gay atmosphere all contribute to make Spanish Club one of the most popular in East High. The club is open to any one who has taken Spanish. The meetings are very colorful as illustrated by the initiation meeting where the victims had to eat spaghetti. Miss Frances Brewer is the director.

The enrollment of the Crafts and Camera Club is open to all students interested in these activities. Through this semester in the crafts end of the program the students have taken up knitting and collecting stamps. The "shutter bugs" have been busy, too, taking as many interesting shots as they could find. The advisor for this club is Mrs. Raena Clements.

Of course, the main event of the season for the Chess and Checker Club was the checker tournament. It seems the members of the club increased their knowledge of these two games and enjoyed competition against each other this semester more than ever before. Chess and Checkers is sponsored by Mr. J. A. Seevers, and its president for this semester was Ervin Hansen.

These ladies, under the direction of Mrs. Wiggenjast, start work early in the morning, and leave about the time we do in the afternoon.

When you enter the building in the morning, you notice how clean it is. This is because until late the night before, the custodians were hard at work, cleaning the building. This staff is under the direction of Mr. Edwards. Mrs. Ruby is the only woman custodian at East High School.

## SHARPSHOOTERS

These boys controlled most of the state this year as they blazed away at hoops near and far. After claiming the City Series and Big Six titles, they invaded the state tourney only to find the championship field a little tougher going. Little but powerful Winfield dimmed the already glorious Scarlet season with an opening round 63 to 41 victory.

Fans in and around the capitol city gazed with amazement as the towering Scarlet cagers took victory after victory. Never before in the history of the school had such heights been attained in basketball. Team after team made futile efforts to win over East but only Fort Dodge made the grade in an early season upset, only to lose the return match at Fort Dodge.

Their first attack was centralized on the Capitol City, knocking out all competing mobs and setting themselves on the throne for the first time since 1945. The victories in the city were: 52 to 27 and 57 to 33 over Lincoln, 48 to 31 and 64 to 34 over North, 38 to 35 and 32 to 24 over Roosevelt, 31 to 16 and 22 to 14 over Tech and again, 35 to 21 over Tech in the sectionals.

In the Big Six they faced probably better teams but downed them with the same fury, except for the defeat by Fort Dodge, 50 to 47. Their conference victories were as follows: Fort Dodge 46 to 38, East Waterloo 60 to 29 and 48 to 39, Mason City 54 to 33 and 43 to 30, West Waterloo 43 to 38 and 49 to 39, plus their two wins over North, who is also in the conference.

In between the season's end and the state tournament there were the two thrilling victories over Dowling and troublesome Newton that really determined the best team in this part of the state.

The victory over Dowling was by a 37 to 36 score, on a last minute basket by John Englund, 6' 5" Junior letterman. The bell-ringer though was the 37 to 33 victory over the Newton Cardinals, with Gene Labus clinching the game with several uncanny but vital buckets.

June graduates are; Labus, Shockley, Maigaard, Lawrence, Bergstrom, Matthews, and Doerring; with Wallerstedt, McFarlane, Koskouick, Englund, Witt, Peters, and Kasner returning.

CHEERLEADERS

We've got the pep, we've got the steam, we've got the cooch, we've got the team, we've got the cheerleaders. This year the boys are really getting a workout, leading the cheers at all of East's basketball games. Never yet have they lost their pep and enthusiasm. Coached by Mr. Kenneth Strotton, these boys deserve all the praise possible.

# A-Ducking We Will Go

SWIMMING TEAM

Row 1: Bill Erickson, Jim Hedgecock, Jock Schoch; Row 2: Jerry Lyons, Jock Rowland; Row 3: Marvin Smith, Dick Johnson, Bob Stocum, Ken Guthrie, Ervin Honsen, Jock Johnson.

SWIMMING TEAM

We of East High can indeed be proud of our swimming team. We all know our boys didn't receive the glory that those victorious did, but we can be proud of the fact that they did as well as they did. Not in winning meets but in never losing their spirit and enthusiasm.

Our boys and coach were hindered by the fact that our facilities for producing a "top" swimming team are poor, as the length of the pool is not regulation, and the ceiling is too low for diving.

Most of the boys will be back next semester. And under the capable coaching of "Scotty" Russell, our team shows promise for a good showing in the future.

# Grunt and Groan Profession

WRESTLING TEAM

Row 1: Benson, B. Fars, O'Hara, Owens; Row 2: Gardan, Summers, Crawford, Wade, Clemens, Johnson, Bayles; Row 3: White, Packey, Sandy, J. Fars, Rabinsan; Row 4: Burdack, Exline, Pasuifi, Tweet, Carpenter, Tomlinson, Swimm.

## WRESTLING TEAM

City champs! These rugged and conditioned boys under the coaching of Mr. Gregory produced a top notch team which was able to add to the beauty of our trophy case, another city championship cup. Every night after school these boys would work out in the little gym. And when I say work, it isn't meant in a little sense. These boys had to really work.

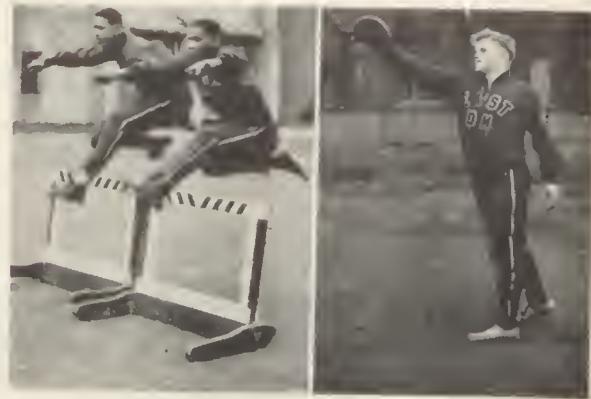

This year we are losing a great number of our stranglers through graduation. It always seems as if it would be impossible to have a good team next year. But it usually turns out all right. Yet it's going to take a lot of cooperation and work to match the achievements that these boys have accomplished.

## TRACK

It seems East High turns out a very fine track team almost every year, and this year is no exception. As the season opened they made a fast get away with the State A.A.U. and State Indoor track titles.

A well balanced team with extremely good hurdlers in Kaiser, and Fields, their all around performer Al Gatewood, relay teams paced by Larson, Hart, Murray, Reed and Plummer, plus the constant showing of Zust, Barber, Clemens, and Atkins, are the key to the already outstanding Scarlet track season.

We can't overlook the men behind our victories, Mike Augustine and Gus Rump, for they have contributed to the cause by their effective training and leadership.

## BASEBALL TEAM

If the hot-tips coming in are true, the East Des Moines baseball team is burning up the basepaths and knocking down the fences. Calls flooded the newspaper office the day of the Lincoln game.

It seems several housewives had seen strange objects soaring through space, near the Grandview Park district. The truth of the matter is as we know it, that Bergstrom and MacDonald happened to connect several times that day at Birdland, causing what looked like flying saucers.

When the tale was explained, the people were glad they were East High baseballs. Yes sir, we've got Kasner, Varme, Maigaard, and Lawrence. Flying saucers, nothing!

BASEBALL

Row 1: Lyans, Robinsan, Kasner, Bain, McGaffee, Barg, Clark; Row 2: Feel, Bergstram, Witt, Freeman, Ault, Burdack, Varme, McDanald, Reese; Row 3: Carpenter, Maigaard, Borg, Lawrence, Gardan, Labus, Jahannsen, Campbell, Charter.

BOYS' GOLF—T-MEN

Row 1: Roderick, Kennedy, J. Johnson, Wistrom; Row 2: Slacum, Campbell, O'Boyle, Wilkins, Lehr; Row 3: Coldiron, Dubonsky, R. Johnson, Peterson, Wright; Not Pictured: Hommer.

## BOYS' GOLF

Returning lettermen to East High's T-men list this year are Ronnie Lehr, Dick Roderick, and Bob Campbell, Bob returning for his third season. Along with these lettermen are Al Hommer, Dick Johnson, Jim Johnson, Dick Koskovich and John Rude.

The team, coached by Walter Bornard, practices almost every night after school at the Grandview Golf Course. We expect these boys to make a good showing in the City Meet this year.

## GIRLS' GOLF

Female T-men; Angels with Wings; call them what you like but never underestimate East High's girl golfers. Working through the changeable spring weather almost every night after school, these girls have won themselves a place of honor in high school athletics.

Displaying their talented ways in past seasons, along with determination and stick-to-itiveness, our girls have set a standard that will be a goal to strive for by the "Babe Didriksons" to be.

GIRLS' GOLF—T-MEN

Row 1: Yost, Drattz, Bacon, Barrett, Knop; Row 2: Rife, Nogorner, Kennedy, Reynolds; Row 3: Dunagan, Gander, Kronavich.

# Racketeers

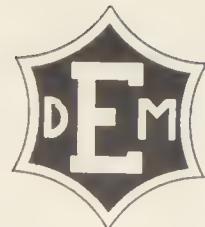

BOYS' TENNIS—RACKETEERS

Row 1: Lorson, Gortler, Wollerstedt, Nelson; Row 2: Jaeger, Whithead, Rosenberg, Caliger, Honsen, Dennis, Pearson, Buckroyd, McFarlane.

## BOYS' TENNIS TEAM

East High's racketeers added another trophy to our collection last fall when they won the city tennis meet. We have every reason to believe that they will be just as powerful this year because of the returning lettermen. Ralph Whitehead and Harlan Rosenberg, who took the city doubles crown, will return along with Bill McFarlane, Richard Wallerstedt, Ervin Hansen, Steve Jaeger and Dan Buckroyd.

## GIRLS' TENNIS

The girls of East High have a knack for working their rackets very comparably with the boys. Coached by Helen Spencer, physical education instructor, the girls practice daily after school at Amos Hiatt and work long hours in the gym trying to improve their technique. There are many upper classmen who with their experience should lead East to many honors this spring. The points the girls earn by playing tennis may be put toward a G.A.A. letter.

GIRLS' TENNIS—RACKETEERS

Row 1: Gonder, Kranovich, Cunningham, Sisom, Howell, O'Brien, Spitler, Johnson; Row 2: Cairney, Coleman, Kasner, Neuwoehner, Schortner, Simpson, Thomas, Wills, Froberg, Selin, Toft, Perry, Spitler, Reynolds; Row 3: Dunagan, Cebuhor, Forrer, Kotzmonn, Ball, Dobson, Stevenson, Wilson, Raspotnik, Ozbun, Palmer, Eben, Hole, Hedgecock.

# Officers and Managers

**G.A.A. OFFICERS**  
Donna Hole, Shirley Nisser, June Gonder, Nency Sisom.

## GIRLS' ATHLETIC ASSOCIATION

Girls! At last we've found a way of developing the super-race. First an all-round spirit is needed to enter into the gym activities, and then an enthusiasm is acquired for the spirit of mixing together in basketball, volleyball,

juggling, tennis, and swimming. A night a week is set aside for each sport, and numerals and letters are earned by participation. This does not only promote sportsmanship but provides healthful entertainment.

## STUDENT MANAGERS

Down the basement and back in the corner behind the doors, only opened with a secret knock, lies the arsenal, with such artillery as ball bats, uniforms, shoulder pads, and basketballs. The qualified workers who take care of

this material are known as the managers. Under the direction of Gus Rump these boys are constantly on the go, keeping teams in shape, and handing out proper equipment.

**STUDENT MANAGERS**  
Bob Witt, Dick Wode, Carl Burdock, Jock Johnson.

Few organs, even among the great cathedral instruments of the world, offer resources that compare with those of the Concert Model Hammond Organ. Its many thousands of beautiful tones and the prompt manner in which the tones speak, give a most desirable clarity and tonal quality unparalleled by other organs. The new Concert Model offers the virtuoso organist the opportunity to give recitals which are a revelation to himself and to his audience.

The Concert Model Hammond Organ has the new Hammond Selective Vibrato which provides a beautiful, true vibrato in three degrees on either the upper manual or the lower manual and pedals, or on the entire organ at once. In addition there is the rich Vibrato Chorus in the same number of degrees. Every organist is invited to visit our showrooms and try the new Concert Model Hammond Organ . . . there is no obligation, naturally.

Mr. Suburb kissed his wife a fond farewell as he was about to catch his morning bus. But, for the first time in five years, he missed it. Thinking to surprise his spouse, he tiptoed into the kitchen, and planted a tender kiss on the back of her neck as she was washing the dishes.

"Good morning," she said, "I'll have two bottles of milk and a pint of cream."

Four-year-old Bobby was stroking his cot before the fire in perfect content. The cat, also happy, began to purr loudly. Bobby gazed at her for a while, then suddenly seized her by the tail and dragged her roughly away from the hearth. His mother said, "You must not hurt your kitty, Bobby."

"I'm not," said Bobby, but I've got to get her away from the fire. She's beginning to boil."

"Little boy, do you have a handkerchief?"
